

# Your sourcing bridge from Egypt to the US

## Home Textiles

## Paper and Packaging Products

## High Quality Apparel

## Who We Are?

---

Atlantic Matter is a sourcing and export company built to connect U.S. buyers with Egypt's highest-quality manufacturers. Rooted in deep regional partnerships, we offer a reliable gateway to premium goods and consistent supply. Our mission is to help businesses unlock better value, diversify sourcing, and build resilient, future-ready supply chains.

## What We Do?

---

We manage the end-to-end export of Egyptian-made products—including home textiles, cotton apparel, sustainable packaging, and paper goods—for full-container delivery to U.S. ports. From supplier vetting to shipment coordination, we simplify international sourcing while ensuring quality, scale, and cost efficiency for our partners.

## ◆ Home Textiles

Premium Egyptian cotton products with **global recognition for softness, durability, and luxury.**

Example Products:

- Tea towels, bath towels, hand towels (100% Egyptian cotton)
- Bed linens (sheets, pillowcases, duvet covers)
- Kitchen linens and decorative throws

Highlights:

- **Ideal for home goods stores, hospitality, and e-commerce (Amazon FBA)**
- Strong storytelling and quality differentiation

## ◆ Packing Materials

Durable, recyclable. cost-effective packaging alternatives for distributors, retailers, and exporters.

Example Products:

- Corrugated boxes (**custom sizes and prints**)
- Kraft paper bags
- Bubble wrap and cardboard fillers

Highlights:

- **Replace Chinese-origin boxes with price-competitive supply**
- Strong demand from fulfillment centers and logistics operators

## ◆ Plastics & Related Products

**Injection molded and thermoformed products** for industrial and commercial use.

Example Products:

- Plastic food containers and cutlery
- Buckets, crates, trays
- Custom B2B packaging and molded components

Highlights:

- **Produced from competitive local petrochemical supply**
- Container-based bulk orders ideal for wholesalers

## ◆ Ready-Made Apparel

Egyptian factories offer competitively priced, **high-quality apparel production** with compliance-ready supply chains.

Example Products:

- Cotton T-shirts, polos, joggers, and basics
- Workwear and uniforms
- Lightweight woven garments

Highlights:

- **Access to QIZ for duty-free U.S. exports**
- Flexible MOQ and private label options

## ◆ Paper Cups & Food Packaging

**Eco-conscious, scalable paper-based food service packaging.**

Example Products:

- Single and double-wall paper coffee cups
- Paper bowls, soup cups, and paper lids
- **Branded** paper sleeves and food wraps

Highlights:

- Food-safe, customizable, recyclable
- Ideal for coffee chains, caterers, and food delivery brands

“

*“Switching to Atlantic Matter was one of the best supply decisions we’ve made. The quality of the paper cups and packaging is outstanding, and the pricing helped us significantly improve margins across our stores. We now rely on them for every shipment. Very consistent.”*

*— Operations Director, National US Coffee Chain*
